Free Seminar on Parkinson's Disease

Discover Treatment Options for Parkinson's Disease

Friday • August 6, 2010

Registration: 12:30 PM Program: 1:00 PM – 3:00 PM

Long Island Marriott Hotel – 101 James Doolittle Blvd., Uniondale, NY

At this event, local physicians will go over some of the treatment options for Parkinson's disease. The physicians will also discuss Activa[®] Deep Brain Stimulation, an FDA-approved, nondrug therapy for controlling some of the symptoms of Parkinson's disease that has been used by more than 55,000 people worldwide.

There will be an Ask-the-Doctor session and an opportunity to speak with other patients.

Come learn from local physicians!

Refreshments will be served.

This event is free, but space is limited. RSVP: 631-300-7240
